

Free Swim Lesson Application – Winter/Spring Semester 2021

Program Details: The Free Swim Lesson Program offers free swim lessons to children in the community who do not already know how to swim.

Requirements: Priority goes to children with little or no prior experience. Once enrolled, consistent attendance is expected. Excessive absences may result in termination. Progressing to the stroke development level and/or suggested maximum of six total sessions results in the swimmer's graduation from the free lesson program.

To Qualify for the Program: Child/child's sibling must participate in the free/reduced lunch program through the school system they attend (**please attach letter from school**). If a child is not yet in school, children with parents or guardians participating in a county rent or utility assistance program may qualify (**please attach letter from county**).

To Apply for the Program: Spaces in the free program are limited. Please follow directions carefully! **Applications for the program should be sent to the address below.** Postmarks will be recorded to fill spots on a "first come first serve basis" until the classes are full. If necessary, a lottery system will be used. Qualifying documentation must be included for application to be complete. The **deadline** date is **Wednesday December 30**. You will be notified prior to the start of swim lessons regarding the status of your application and specific dates if accepted.
