

Private/Semi-Private Lessons: All Ages

Carmel Swim Academy offers both private and semi-private lessons for children who would benefit from a smaller instructor:swimmer ratio. For private lessons, swimmers are paired with an instructor one-on-one. For semi-private lessons, swimmers are paired with an instructor two-on-one. Please note, CSA does not assign a second swimmer to your semi-private lesson. Semi-private lessons are intended for siblings or friends of similar ability level.

The first step families who are interested in private or semi-private lessons should take is to fill out [this request form](#). CSA staff will contact you after you submit the form for more information and to work on scheduling.

Private lessons and semi-private lessons run 30 minutes. Lessons are available for purchase in sets of five or ten classes and are priced at \$60 per lesson for private lessons, or \$50 per swimmer per lesson for semi-private lessons.

Scheduling:

- Families are given the option to purchase and schedule either five or ten lessons at a time.
- Lessons will be scheduled once a week on a regular day/time within your package time frame.
- Private/semi-private lessons will be scheduled based on instructor and pool availability.
 - Private/semi-private lessons **will not** be scheduled between 4:30 PM and 8:30 PM Monday through Thursday, or on Saturdays between 9 AM and 12:30 PM.
- After all lessons from a purchased package are utilized, families can either enroll in group lessons, or will be moved back onto the private/semi-private lesson waitlist.

Cancellations:

- Within a package of five lessons, families are permitted one cancellation.
- Within a package of ten lessons, families are permitted two cancellations.
- If a lesson is canceled, the package will extend out one week. Lessons will not be rescheduled for a different day or time.
