

Homeschool Membership

Carmel Swim Academy offers a special program membership for students enrolled in homeschool.

Outside of our traditional group swim lesson structure, this membership provides homeschool students with time for fitness and wellness programming in our facility.

CSA's Homeschool Membership is designed for swimmers ages five and older. Swimmers must be able to swim independently (i.e. no lifejacket, floaties, or parent in the water), and comfortably in water as deep as five feet.

For \$40 a month, per person, the bearer of each Homeschool Membership can come to the Carmel Swim Academy Monday through Friday between 1 and 2:30 PM.

On Thursdays, from 1:15-2 PM, a Carmel Swim Academy instructor will be available to provide guidance on the fundamentals of swimming. While not a traditional swim lesson, this timeframe will provide technique refinement and stroke development for your swimmer.

Mondays, Tuesdays, Wednesdays, and Fridays between 1 and 2:30 PM, Homeschool Members can enjoy free swim and water play. While no instructor will be available, swimmers are welcome to use all CSA equipment, including fins, kickboards, and noodles.

For more information, please contact Senior Director Nicole Bills at nbills@carmelswimacademy.org.
